

2018 LAWRENCE A. GOLDING STUDENT HEALTH/FITNESS SCHOLARSHIP

Background:

This annual award will be given in honor of Lawrence A. Golding, Ph.D., FACSM, past chair of the Health & Fitness Summit & Expo program planning committee, and past editor of *ACSM's Health & Fitness Journal*[®].

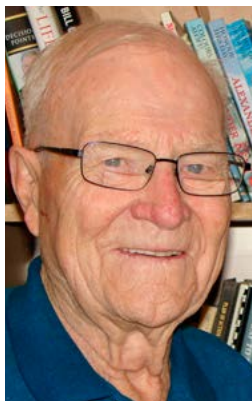

ACSM will be granting one award per year.

Applicants:

Designed to publicly recognize and honor undergraduate students who have made significant outstanding contributions to their communities in health, fitness and/or education.

Those applying should be exceptional leaders and students in their school and/or community.

Students in their sophomore through senior year are encouraged to apply, and must meet the following requirements:

Requirements:

1. Must (at time of application), be a student in good standing in either their sophomore through senior year majoring in exercise and health or a related field.
2. Must be a current ACSM member in good standing (regular or alliance).
3. Must have a faculty sponsor (he/she must sign the application).
4. Applicants must: type their answers to all questions, follow all instructions, complete the official application, and submit electronically to ACSM on or before 2/12/18.

Incomplete applications will not be considered.

The winner will receive:

- \$1,000 award will be provided in the spring after the official announcement is made.
- Complimentary registration to the 2018 ACSM's International Health & Fitness Summit in Arlington, Virginia, (Washington, D.C.) April 5-8, 2018, where the award will be presented in person to the winner.
- Feature story will appear in *ACSM's Health & Fitness Journal*[®].
